

CMB Wireless Group Names Steve DeBusk to its Executive Team.

HOLBROOK, NY (March 14, 2008) – CMB Wireless Group (dba “CWG”) has named Steve DeBusk to its executive team, effective March 3, 2008. Mr. DeBusk will lead the company’s efforts in OEM Repair, Supply Chain Management and Green programs. He will office out of Leawood, KS; Holbrook, NY and Beihai, China.

Prior to joining CMB Wireless Group, Mr. DeBusk served in executive positions within the supply chain and logistics areas at The Signal and Sprint Corporation for the last 13 years.

“Steve’s background makes him a natural fit to lead our growth efforts,” said Joseph Lacania, Executive Officer of CMB Wireless Group. “We are looking forward to better serving the increasingly diverse logistical and environmental needs of the wireless industry.”
